

EL Banna Design Group-Gima

About Us:

El Banna Design Group-GIMA has been established in Egypt for over twenty years to help the world of design and build a space that mirrors your own vision of luxury. Because of our diverse educational backgrounds and experiences, such as degrees in commerce, psychology, art and teaching, our business is built on professionalism, efficiency and competitive pricing. We offer products and services based on our multiple talents. There is no space for the pretentious posing and unrealistic pricing; our reputation is based on excellent workmanship, reliability and commitment to deadlines.

Art and Design work produced by GIMA is incomparable. Whether it is an edifying feature of your home or business, you are guaranteed an outstanding and unique result of pure luxury combined with unconventionality.

Products & Services:

El Banna Design Group provides complete residential, commercial, corporate refurbishment and renovation encompassing everything from structural work, bathrooms, kitchens, flooring, joinery, decorating and soft furnishings. We present a full turnkey solution tailored to meet the individual needs of the client. Our extensive range of services includes:

Space Planning
Interior Design
Interior Finishes
Printings
Project Management
Build Management
IT Installations
Electrical Installations / HVAC
Office Moves & Changes

Having our own print house and our own graphic designers allows us to print on a great range of applications for commercial screen-printing and promotional items such as posters, banners, signs, stickers.... Etc

Our Interior Designers use computer aided design techniques, combined with years of experience, to advise you of the different ways that your dream can look. We will work with you; every step of the way, to ensure that everything runs smoothly. Even down to the finishing touches.

The professional interior design staff of GIMA Design Center knows that you value quality of design as well as a variety of selections to suit your individual home or store improvement needs.

We value all of our professional relationships, from those with our valued interior design clients to the manufacturers of quality home improvement products that we supply. This sort of mutual respect between manufacturer and interior designer can only bring added value to your business or home improvement project.

Our Follow-up team provides clients with a one-stop service to liaise, co-ordinate and attend to any issues that may arise on a day to day basis.
Our skill technicians are experienced in working in an occupied office environment and understand the importance of following customer procedures.

Under one roof we combine the professional skills of architects, space planners, interior designers, relocation and project managers, to help you to find and make the best use of your chosen space.

Please take a look at some samples of our Work in the next page.

First: Commercial Sector

We aim to add value to your business, both in terms of productivity and employee mora. Our innovative and distinct approach to space planning will ensure that we are optimizing your space by our design.

Second: Architectural Graphic Sector

We realize that to prosper we must excel in creativity, quality, value and service. Our goal is to continually exceed the expectations and needs of our customers. We strive to be the company by which others are measured.

Third: Home Sector

We can offer a wide range of styles, from modern and contemporary, to traditional or antique. Whether you are refurbishing your home, your office, your shop or your restaurant, El Banna Group can help.

Working under our supervision, our experienced team of specialists delivers a high standard of workmanship, aimed at meeting stated deadlines and criteria.

Last but not least, our philosophy is to work closely with clients in an honest and open environment where good communication delivers the best results. This philosophy is extended to our staff and contractors and has resulted in our excellent reputation throughout the industry.

With El Banna Design Group "You don't think about luxury...You live it"
